

Costumes of the Ballet

Costumes are a very important part of any performance. A costume helps you get into character and helps the audience recognize who you are meant to be. The **costume designer** draws the costumes and it is important to make sure that the designs don't restrict the dancer's body so they can move freely. When the designs are finished, the **costume makers** find the fabric and make the costumes according to the design.

Can you guess the characters from these *The Canterville Ghost* design sketches? We have added a list of options below to help!
